

WHALE CHART

M. F. WADY A. M. LIEUT. U.S. NAVY

(Preliminary sketch)

REVISION BY

1851

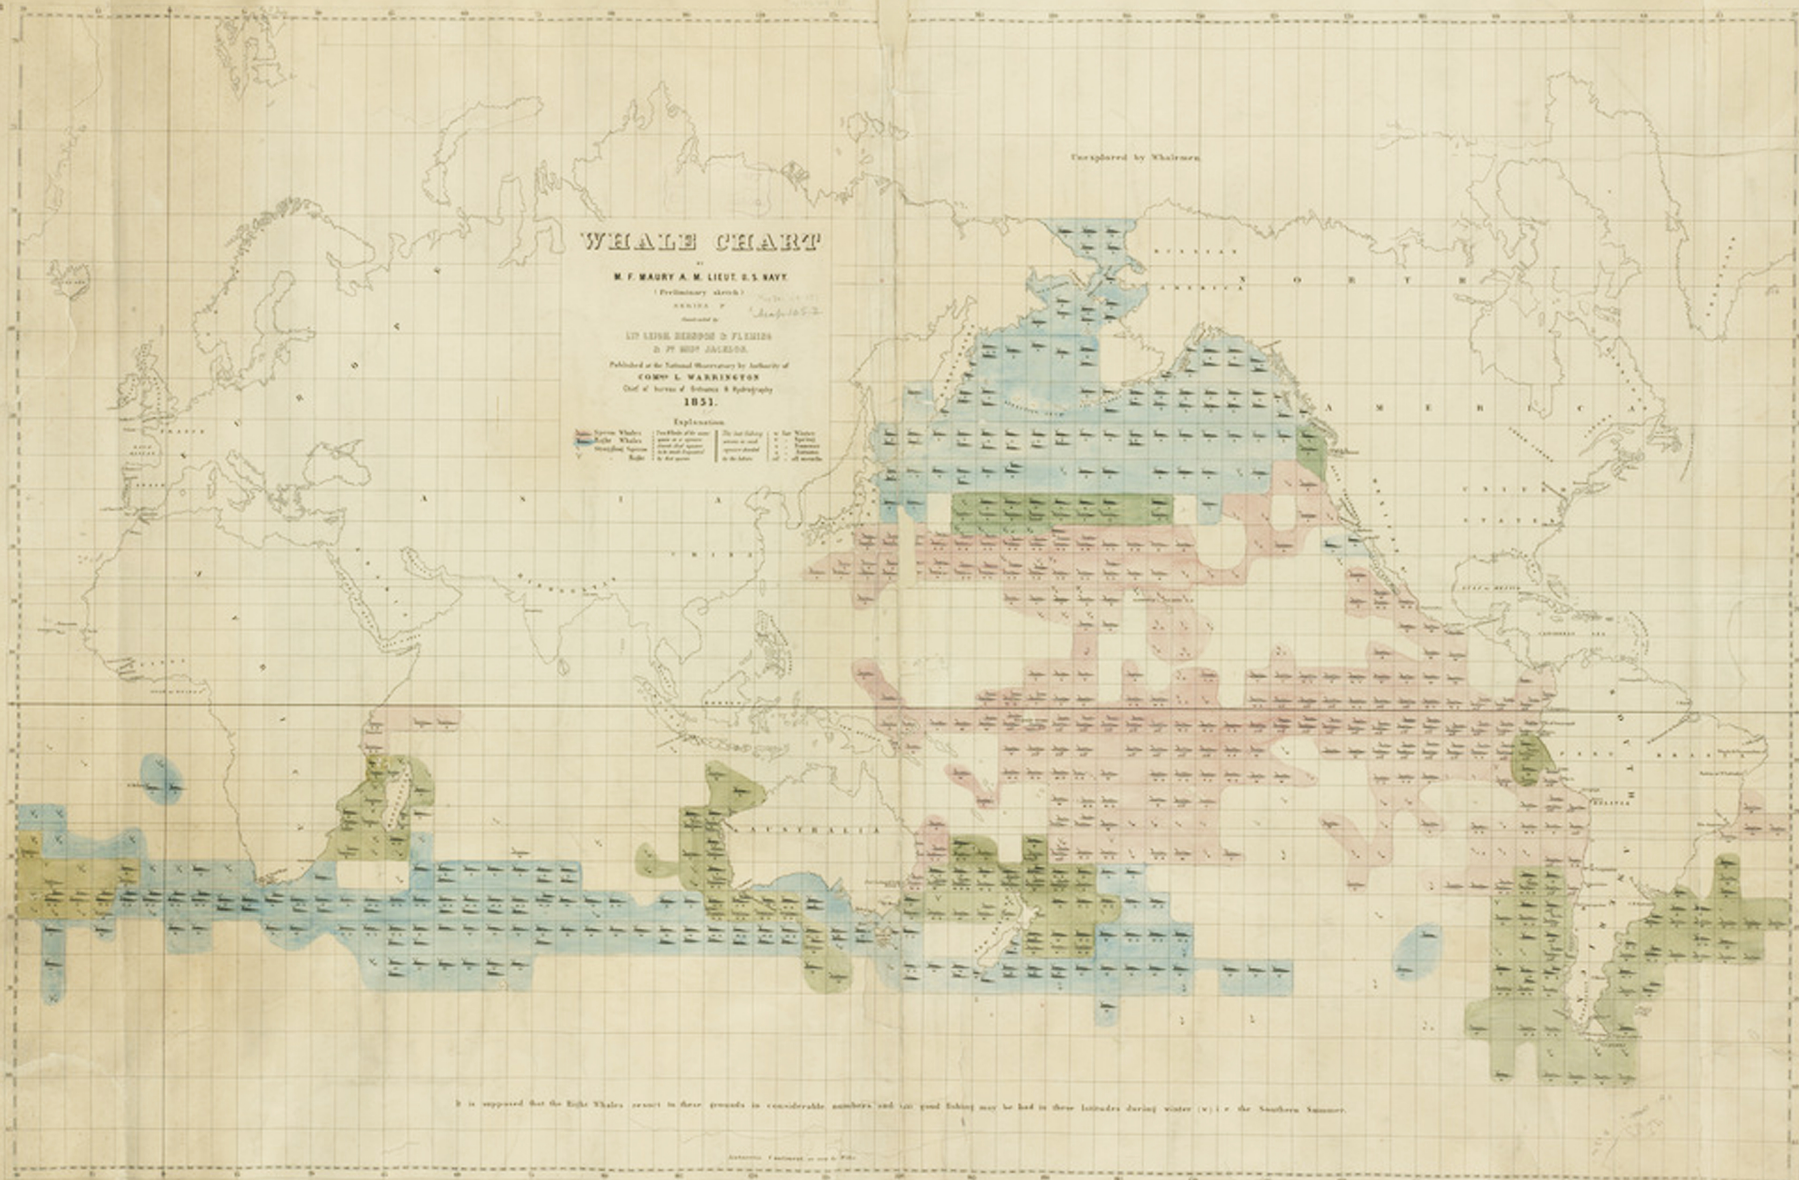

LIEUTENANT JESSE D. FLEMING
U.S. NAVY

Published at the National Observatory by Authority of
COMD. L. WASHINGTON
Chief of Bureau of Science & Hydrography

1851.

Explanation

Blue	Green	Red	Black	White
Right Whale	Left Whale	Right Whale	Left Whale	Right Whale
Right Whale	Left Whale	Right Whale	Left Whale	Right Whale
Right Whale	Left Whale	Right Whale	Left Whale	Right Whale

It is supposed that the Right Whales resort to these grounds in considerable numbers and that good fishing may be had in these latitudes during winter (w.) or the Southern Summer.
